

**62A-6-105 Persons who may give informed consent.**

For purposes of this chapter, the following persons may give informed consent to sterilization:

- (1) a person who is the subject of sterilization, if he is capable of giving informed consent; and
- (2) a person appointed by the court to give informed consent on behalf of a subject of sterilization who is incapable of giving informed consent.

Enacted by Chapter 1, 1988 General Session
